Dear Grandma,

How are you? I ~~write~~ **am writing** [0] this email in my bedroom. Pamuk is sleeping on my bed. She sleeps there every night, doesn't she?

I have great news! Today is Project Day at our school, and Team Green is the winner! Forty-two groups are in the competition, and we are in oneth place! Kerem is so happy. He works on his robots every weekend, isn't he?

Right now, Dad cooks a special dinner for us. He usually make pasta on Fridays, but tonight he's making my favourite: mantı! Mum is helping him, and Mustafa is setting the table. Listen! Mustafa sings his dinosaur song again. Maya is calling me every evening, but tonight she's at her grandmother's house.

Our prize is a trip to a science centre on the twenty-one of December. And don't forget: my birthday party is on the five of December! You're coming to my party, are you? You aren't busy that weekend, aren't you?

Love, Elif
